Local 692 JATC has an opening for a training instructor. Please read the job description below and if interested please submit your resume to the union office by **Friday, July 24, 2020.**

Salaried Position

Hours 7:00 am to 5:00 pm

Class Hours 8:00 am to 4:30 pm

Nights for Journeymen Training Classes (4:00 pm to 8:00 or 9:00 pm)

Occasional Saturdays or Sundays for Side X Side Burn Demonstrations (Local 692 & NFSA)

Political duty when assigned by Business Manager

Attending Instructor Training Program every August in Ann Arbor MI. (Objective is to attain a Certification in Instructor Training of Journeymen and Apprentices)

Take necessary courses to keep up training certifications which include:

- Backflow Tester Certification
- Backflow Repairer Certification
- Basic Life Support & First Aid
- Train the Trainer
- NCCCO Certified Signal person
- OSHA Construction Outreach Training Instructor
- Built-Rite Process Safety Management Trainer
- CPVC Installation Training Instructor
- Victaulic Grooving and Installation Fundamentals Instructor
- Copper Development Soldering and Brazing Instructor
- BIM, Total Robotic Station Technology

Computer Skills: Microsoft Word, Excel, and Power Point. Will need to become proficient in Exam View, CPS Workspace, and Blackboard.

To be aware of the constantly changing Technology in the Sprinkler Industry and pass that information onto Journeymen and Apprentices through up grade classes.

Be able to work well with people, especially Journeymen and Apprentices that are attending classes at the Training Center.

Thank you,

Wayne Miller
Business Manager & JATC Chairman
Sprinkler Fitters Local 692
